The grey area: J-1 & B-1/WB

Consider the following to help avoid a B-1 visa denial or your visitor denied U.S. entry and sent back home. 😞 (It happens!)

Won’t be employed? A J-1 visa is strongly advised when...

- A formal exchange exists between universities
- *A visitor identifies as a “student”
- It can be assumed the UMN will collaborate, co-publish, or otherwise benefit from a visitor’s activity

*Reminder: J-1 Scholar is not an option for undergraduates
In short...

What is SEVIS?

- **Student & Exchange Visitor Information System (SEVIS)** is an electronic reporting system that provides the U.S. Department of Homeland Security (DHS) with information on international students and scholars in the United States who hold F, J, and M visas. Every school, college and university that admits students or scholars on F, J or M visas is mandated to use SEVIS.
Processing the DS-2019, reporting program changes (i.e. dates, funding, etc.), and other visa related issues are performed within SEVIS.

What is a DS-2019?
The DS-2019

Certificate of Eligibility

- Every DS-2019 contains a SEVIS ID in the upper right-hand corner unique to each J program. This ID is needed when paying the SEVIS fee.

- Dependents of J-1 Scholars (J-2s) must possess their own DS-2019.
The DS-2019

- This is where you find the program dates. Scholars are allowed and expected to participate in the program activities within these dates. Not before and not after.

- This section is for travel/reentry signatures. Scholars and their dependents must have a valid re-entry signature from ISSS if traveling outside the U.S. within the DS-2019 program dates.
Importance of an accurate DS-2019

- apply for the J-1 visa at U.S. consulate abroad
- successfully enter (or re-enter) the U.S. in J-1 status
- provide evidence of past J programs for future U.S. opportunities
- Scholar needs it to…
- legally remain in the U.S. for department collaboration
J-1 Regulations/Policies
J-1 Program Regulations

- English Language Proficiency
- Engage in Defined Activities
- Authorized Employment only
- Health Insurance Requirements
- 2 Year Home Residency Requirement (2 Year Rule)
- 12 Month bar
- 24 Month bar
- Patient Contact
English Language Proficiency

Past regulations

“The exchange visitor possesses sufficient proficiency in the English language to participate in his or her program.” - CFR 22 62.10 (a) (2)

Effective Jan. 5, 2015

"sufficient proficiency in the English language, as determined by an objective measurement of English language proficiency, successfully to participate in his or her program and to function on a day-to-day basis. “
Engage in Defined Activities

- Scholars, professors, and short-term scholars are here to teach, perform research, consult, or observe and can not enroll in courses unless they are incidental.

- A change of category from scholar to student or vice versa requires the individual to leave the U.S. and re-enter on a new DS-2019 that reflects the correct category.
Be Employed only with Authorization

- J-1 Scholars can be paid for occasional lectures or consultations off-campus. Written authorization must be obtained in advance from an ISSS J adviser.
Health Insurance

- J-1 visitors and their dependents are required by law to carry health insurance that meet specific U.S. Federal regulations.

- The University of Minnesota requires all J-1 scholars and their dependents to purchase the University’s insurance.

- This is stated on the Statement of Responsibilities, which is part of the ISSS application and signed by the scholar prior to ISSS issuing a DS-2019. The information also accompanies the DS-2019 issued by ISSS.
UMN Health Insurance Policy

- Scholars visiting the University for 31 days or less may choose to purchase the Student Health Benefit Plan (SHBP), but are not required to do so.

- Scholars who are exempt from the University sponsored SHBP are required to carry other health insurance for the duration of their visit to the University. A scholar's insurance plan must meet J-1 U.S. federal regulation requirements:
  - [http://j1visa.state.gov/sponsors/how-to-administer-a-program/](http://j1visa.state.gov/sponsors/how-to-administer-a-program/)
UMN Health Insurance Policy

- If the J-1 Scholar does not purchase the UMN’s insurance for themselves and their dependent(s), the scholar will not be eligible for ISSS benefits. Including:
  - Travel/Reentry Signature
  - DS-2019 Extension
  - Dependent DS-2019 Request
  - Financial Update
  - Occasional Lecture and Short-Term Consultation Authorization

- [http://isss.umn.edu/J/insurance.html](http://isss.umn.edu/J/insurance.html)
If a scholar's program with you is extended, s/he must also extend their health insurance coverage by contacting Office of Student Health Benefits or Human Resources.
UMN Health Ins. Requirements

- ISSS

UMN insurance, exceptions/waivers, contact:

- Office of Student Health Benefits (for non-employed scholars) [http://www.shb.umn.edu](http://www.shb.umn.edu) and/or
- Human Resources (for scholars eligible for employee benefits)
Two Year Home Residency Requirement (a.k.a: “2 year rule” “212e”)

- If subject: Exchange Visitors (and dependents) are expected to return to their "home" countries and be physically present there for a total of two years before being eligible to return to the United States in immigrant (permanent residence/green card) status, H status (temporary workers and dependents), or L status (intra-company transferees and dependents).

- The exchange visitor who currently holds J–1 or J-2 Status and is subject to the 2–year rule is also not eligible for change of status to another visa status without leaving the United States.

http://www.isss.umn.edu/Departments/JReg.html
The visitor is not eligible for program participation as a J-1 Research Scholar or Professor if s/he has been physically present in the U.S. in J-1 or J-2 status for 6 months or more in the 12-month period immediately preceding the proposed DS-2019 start date, unless the participant is transferring to the University of Minnesota, or the participant’s presence in the U.S. was as a J-1 Short-Term Scholar.

http://www.isss.umn.edu/Departments/JReg.html
24 Month Bar

- Any exchange visitor who comes to the U.S. for any length of time in the Professor or Research Scholar categories will not be able to come back to the U.S. in the Professor or Research Scholar categories for a period of 24 months, once his/her J-1 program has ended.

- [http://www.isss.umn.edu/Departments/JReg.html](http://www.isss.umn.edu/Departments/JReg.html)
### 2 Year Rule

- Could apply to any J visa holder, regardless of category
- Prohibits immigrant or employment-based visa status until 2 years have been fulfilled in home country*
- In other words: Individual could still return to the U.S. as tourist, J-1, F-1... but not in H-1B status.
- A waiver process with the DoS exists

### 24 Month Bar

- Applies only to participants and dependents in J Research Scholar or Professor programs
- Prohibits a new J-1 Research Scholar or Professor program until 24 months have passed
- In other words: Individual could still return as tourist, F-1, H-1B, J-1 Short Term Scholar (or any other J category that isn't RS or Prof)
- No waiver exists.
Clinical Patient Contact

- If the exchange visitor’s primary purpose is of a clinical nature, the exchange visitor may not come on the U of MN J program. The exchange visitor must come in the Alien Physician category offered by the ECFMG program sponsor.

- ECFMG: Educational Commission for Foreign Medical Graduates
