SUMMARY

The 12-month period of OPT can be extended by 24 months for certain Science, Technology, Engineering and Mathematics (STEM) degree holders. See the STEM Designated Degree Program List to determine if your field and CIP Code are included in the list. <z.umn.edu/stemlist>

ELIGIBILITY REQUIREMENTS

• Currently authorized for post-completion OPT and have not accumulated 90 days of unemployment.
• Must have a job-offer or be employed by an employer registered with the “E-Verify” federal employment verification system at the time of application.
• Must have obtained a bachelor’s, master’s, or doctoral degree from an educational institution that is accredited at the time of application <Department of Education’s Classification of Instructional Programs taxonomy: ope.ed.gov/accreditation/search.aspx>
• Must have obtained a degree in a STEM field that is defined by Department of Homeland Security <STEM Designated Degree List z.umn.edu/stemdegreelist2016>
• Must have a job or job offer that must be directly related to student’s STEM degree
• Students currently on a 12-month OPT who are not currently in a STEM field but have received a degree in a STEM field previously, may be eligible to apply. A job must be related to a STEM degree. See more information in the SUPPLEMENT form.

WHEN TO APPLY

Submit your request to ISSS up to 100 days before your current EAD expires. USCIS accepts your 24-month STEM OPT application up to 90 days prior to your current EAD expiration date and no later than your current EAD expiration date.

COMPLETE THE APPLICATION PROCESS

Step 1: Request an OPT recommendation from ISSS

ISSS must process a recommendation for your OPT request. Seven (7) working days are required to process a recommendation I-20 for OPT. Submit the following items to an ISSS adviser during general walk-in hours, a scheduled appointment, or via email. ISSS cannot accept your application for processing unless all these items are completed.

A. 24-month STEM OPT Extension based on most recent STEM degree:
   1. Student Request Form
   2. Form I-765 <uscis.gov/i-765>
   3. Form I-983: Training Plan for STEM OPT Students pages 1-4 <z.umn.edu/i983>
   4. Certificate of Completion of Online Workshop

B. 24-month STEM OPT Extension based on a previous STEM degree:
   1. Student Request Form
   2. Form I-765 <uscis.gov/i-765>
   3. Form I-983: Training Plan for STEM OPT Students pages 1-4 <z.umn.edu/i983>
   4. SUPPLEMENT form (application based on a previous degree)
   5. Certificate of Completion of Online Workshop

Step 2: Assemble the application materials

Staple the application materials together in the following order. You should also keep a copy of this entire application for your records.

1. A check or money order, payable to “U.S. Department of Homeland Security” for the OPT application fee. For current fees, see www.uscis.gov/i-765.
2. Two color photos. The instructions with Form I-765 provide detailed photo requirement information. Print full name and most recent Form I-94 number in pencil on the back of each photo. Place the photos in a clear plastic bag or an envelope and staple it to the application. Do not put staple holes in the photos. You can get a photo at the Learning Abroad Center (230 Heller Hall, 612-626-9000).
3. Original Form I-765.
4. A photocopy of the I-20 page 1 with your signature and page 2 with OPT recommendation.
5. A photocopy of your most recent EAD card.
6. A photocopy/print-out of the most recent electronic I-94 at available at www.cbp.gov/i94. If you have a paper Form I-94, photocopy of both sides of Form I-94 (copy the back side even if it is blank). Do not mail the original paper Form I-94.
7. Photocopies of as many as possible of the following that contain your name and photo: the identity page of your passport, entry visa stamp with a photo, driver’s license or state ID, student ID, and any previously issued EAD.
8. A photocopy of your diploma and final transcript. (*Exception: Graduate students who have completed degree requirements except thesis and dissertation should include a transcript and letter from their adviser clarifying that the only remaining requirement for completion of the degree is the thesis/dissertation.)
9. **Optional, But Recommended:** Submit a G-1145 E-Notification of Application/Petition Acceptance form. This form can be downloaded at uscis.gov/g-1145mm, and it must be attached to the top of the application with a paper clip (not stapled).

**Step 3: Mail the OPT application to the appropriate USCIS Lockbox**

Your OPT application must be received by USCIS no later than 60 days after the OPT recommendation is entered into your SEVIS record (see “date issued” on OPT I-20). Applications received after this date will be denied. It is the student’s responsibility to mail the OPT application to USCIS. Mail the application materials from Step 2 by USPS Certified or Express mail to obtain a signed receipt. Keep the receipt for your records.

**Use the Phoenix Lockbox address if the address you indicated on FORM I-765 is in**

For USPS Certified/Express Mail: USCIS PO Box 21281 Phoenix, AZ 85036

For Overnight/Courier Deliveries (Non-USPS): USCIS, Attn: AOS 1820 E. Skyharbor Circle S Suite 100 Phoenix, AZ 85034

**Use the Dallas Lockbox address if the address you indicated on FORM I-765 is in**

For USPS Certified/Express Mail: USCIS PO Box 660867 Dallas, TX 75266

For Overnight/Courier Deliveries (Non-USPS): USCIS, Attn: AOS 2501 S. State Hwy. 121, Business Suite 400 Lewisville, TX 75067

**You are responsible for mailing your OPT application to USCIS.**

**Step 4: Wait for EAD to be mailed from USCIS**

- It takes approximately 2-3 months for USCIS to process your request and mail your EAD to the address on Form I-765. You can see current processing times for I-765 (OPT) applications at egov.uscis.gov/cris/Dashboard.do.
- Several weeks after you apply, you should receive a receipt notice (Form I-797) in the mail from USCIS.
- Students who file a timely application can continue employment while the extension application is pending, until a final decision on the I-765 or for 180 days, whichever comes first.
- The EAD will reflect the dates of your employment authorization.

**Note:**

If you receive a Request For Evidence (RFE) from USCIS, contact ISSS as soon as possible.

**Step 5: Read Requirements while on OPT information**

For requirements while you are on 24-month STEM OPT Extension including reporting and travel information, go to isss.umn.edu/fstudent/stemopt-requirements.html.
