Council of International Graduate Students (3272)
CIGS provides a place for international graduate and professional students to advocate their voices about their academic, professional, and social development. We organize events tailored specifically to benefit the international student community at the University, while allowing international students to form ties with domestic students. In addition to organizing events and bringing international students together, we aim to serve as a liaison between international students and various other groups within and beyond the University. We collaborate closely with University administration and services to ensure that students' needs are met, and their voices heard.
