Dear Student,

On behalf of the staff of International Student & Scholar Services (ISSS) in the Global Programs and Strategy Alliance, congratulations on your admission to the University of Minnesota!

Our Twin Cities campus is centrally located in the exciting and friendly cities of Minneapolis and St. Paul. Minnesotans place a high value on education, and they also realize that hosting international students is an important component of what makes the University of Minnesota a vibrant and globalized campus. We think you will find this a warm and accepting community.

The staff of ISSS is ready to help you accomplish your academic and career goals. Our office provides:

• Information to help you adjust to the University and U.S. culture,
• Advising and counseling services to help you maintain your immigration status and succeed at the UMN,
• Academic and career support, and
• Educational and social programs to help you meet U.S. and other international students.

Please read this guide carefully and complete the activities explained at isss.umn.edu/new. It is very important that you understand this information so you can successfully begin your studies at the University of Minnesota.

Please email isssnew@umn.edu if you have questions. We are delighted you chose to study at the UMN, and we look forward to meeting you!

Sincerely,

Barbara Kappler, Ph.D.
Assistant Dean,
International Student & Scholar Services
Your University email address is the official form of communication at the University of Minnesota. Official announcements from the University, your department, professors, and ISSS are sent to this email address. Your tuition bill will also be emailed to this account.

You are responsible for knowing any information sent to you through your University email, including tuition bills and other critical information from instructors and administrative offices.

Go to umn.edu/initiate to initiate your email account. If you do not have a Social Security Number, you can leave the question asking for it empty.

ATTENTION STUDENTS IN CHINA

The UMN uses Google as our email and applications platform. We are aware that it may be difficult for incoming students living in China to access their UMN email account. Please go to umn.edu/initiate to initiate your account and review the other recommendations at z.umn.edu/chinatech.

Many, but not all, offices will send communications to both your UMN email and the personal email address you provided on your application for admission. We also recommend you sign up to receive messages from the UMN China Office’s WeChat official account (“UMNChina”). You can learn more about the China Office at china.umn.edu.

Do you want more help with accessing your email? Do you have questions about what technology is available on campus? See z.umn.edu/newstudentech.
• If you are a Canadian citizen, you do not need an entry visa. Skip to page 5.
• If you are currently in the U.S. in F-1 or J-1 visa status and plan to remain in that same visa status, skip to “Visa Transfers” (page 6) for instructions on how to transfer your F-1 or J-1 SEVIS record to the University of Minnesota.

There are two main categories of visas given to international students: F-1 and J-1. Most international students in the U.S. hold an F-1 visa. If you received an I-20 document from the UMN, you will apply for an F-1 visa. If you received a DS-2019, you will apply for a J-1 visa.

1. REVIEW THE INFORMATION ON YOUR I-20/DS-2019 AND SIGN THE BOTTOM

Review the spelling and order of your name on the visa document, and confirm that it **exactly** matches how your legal name is written at the bottom of the identity page in your passport (the page that has your picture).

It is essential that your information is printed identically on all of your immigration documents (I-20/DS-2019, passport, and visa), and you should always write it the same way when completing your visa application and any other forms.

If there is a mistake or the name on your I-20/DS-2019 does not match your name in your passport, contact the office or agency that issued your document (see the list printed on the back of this book).

If all of the information is correct, sign and date your name on the bottom of your I-20/DS-2019. Additionally, if you have an I-20 and are younger than 18 years old, your parents/guardians must also sign your document.
New students must pay the SEVIS fee before applying for an entry visa or entering the United States. This fee is charged by the U.S. Department of Homeland Security, and it is not administered by UMN. You cannot pay the fee until you have your I-20 or DS-2019 document in your possession. To pay the fee, visit www.fmjfee.com.

3. COMPLETE THE VISA APPLICATION FORM AND SCHEDULE YOUR VISA INTERVIEW APPOINTMENT

You should plan to apply for a visa at the U.S. embassy/consulate that is closest to where you live. You can find the official list at www.usembassy.gov. This website also includes specific instructions for scheduling an appointment.

We recommend scheduling your appointment as soon as possible after you receive your I-20/DS-2019. To learn the estimated visa wait time for obtaining a visa at your local embassy, visit z.umn.edu/doswait.

When completing the visa application, write your legal name exactly as it is printed in your passport and provide complete and truthful information throughout the application. If you do not have housing reserved in the U.S. but you are asked to provide an address in the U.S. where you will stay, you can use ISSS’s address (301 19th Ave South, Suite 190, Humphrey School, Minneapolis, MN 55455).

4. PREPARE DOCUMENTS FOR YOUR VISA INTERVIEW

Follow the instructions from the Embassy regarding what to take to the appointment. Typically, you will be asked to provide the following documents:

- Valid passport
- I-20 or DS-2019 document
- Admission letter (or print out of electronic admission notification)
- Documented proof of financial support for, at least, one year (scholarship or assistantship letter, bank statement, etc.)
- Receipt of SEVIS fee payment
- Visa application forms (available from the U.S. embassy/consulate)
- Any documents requested by embassy/consulate

5. PREPARE FOR YOUR VISA INTERVIEW

The visa interview will be a very brief meeting with a consular officer. Be prepared to explain why you want to study at UMN, how you are planning to pay for your stay, and what your plans might be after you graduate. Always answer truthfully! If you have questions or concerns before the visa interview, we recommend that you contact the EducationUSA office closest to you (a list is available at z.umn.edu/edusacenter).

Once you receive your visa, check the accuracy of the information on it. Contact the U.S. embassy or consulate if you find a mistake.

CAUTION

Do NOT enter the United States in visitor status (B1/B2 or Visa Waiver). Individuals with these immigration statuses are not eligible to register for an academic course of study. If you have questions about any other visa types, contact ISSS.
ADDITIONAL ITEMS TO KNOW

If You Have Dependents

Your spouse and children under age 21 are eligible to accompany you to the U.S. with a dependent visa (F-2 or J-2).

You must request a dependent I-20 or DS-2019 document for each of your eligible dependents. Dependents are not required to pay the SEVIS fee (page 4).

For more, contact the UMN office responsible for your documents (see the back cover of this book for a list).

Note: F-2 visa holders are not permitted to work in the United States. They also, cannot study full-time at a university or other post-secondary institution.

Visa Denials

If your visa is denied, ask the consular official to provide a written explanation of the denial, and then contact ISSS for assistance. Email isss@umn.edu and write “Visa Denial” in the subject line.

Administrative Processing and Security Clearance Checks

Some visa applicants are subject to additional screening that will delay the issuance of the visa. This is NOT a denial. Most applicants who are subject to administrative processing or a security clearance check will receive a visa within one to two months. It can, sometimes, take longer.

You cannot prevent additional screening or security clearance, and ISSS or your department cannot intervene to speed up the process.

ATTENTION CANADIAN CITIZENS

Canadian citizens can enter the United States in student status without obtaining an F-1 or J-1 having an entry visa in their passport. However, Canadian citizens must obtain an I-20 or DS-2019 and pay the SEVIS fee (page 5) before entering the United States.

Upon entry, you must present to the U.S. Customs and Border Protection (CBP) officer your passport, I-20 or DS-2019, admission letter, proof of financial support for at least one year, and receipt of SEVIS fee payment (page 4).

If you are a Canadian citizen who is currently in the United States in F-1 or J-1 visa status and plan to remain in that same visa status, you must transfer your F-1 or J-1 SEVIS record to the UMN (page 6).
You are considered a “Visa Status Transfer Student” if you currently hold F-1 or J-1 status at another institution in the United States and plan to remain in the same immigration status (F-1 or J-1) when at the UMN. This includes students who are transferring to the University of Minnesota-Twin Cities from another UMN school.

If this does not describe you, skip to page 8.

**F-1 TRANSFER STUDENTS**

The F-1 transfer process involves several steps, all of which must be carried out to complete your transfer.

1. Contact the international student advising office at your current institution and inform them of your intent to transfer to the University of Minnesota. An adviser at your current school will need to set up your SEVIS record to transfer to the University of Minnesota-Twin Cities after you finish classes there.

2. **Undergraduate and Professional Degree Students** must complete the Transfer Release form available at [z.umn.edu/issstransfer](http://z.umn.edu/issstransfer).
   - A. You should complete section #1.
   - B. An international adviser at your current institution must complete section #2. They will then email it to [iss@umn.edu](mailto:iss@umn.edu) or fax it to 612-626-7361.

3. **Undergraduate and Professional Degree Students** must complete the Transfer Release form available at [z.umn.edu/issstransfer](http://z.umn.edu/issstransfer).
   - A. You should complete section #1.
   - B. An international adviser at your current institution must complete section #2. They will then email it to [iss@umn.edu](mailto:iss@umn.edu) or fax it to 612-626-7361.

4. Complete Immigration Check-In (page 11) after arriving at the UMN.

**WILL YOU TRAVEL OUTSIDE OF THE UNITED STATES DURING THIS PROCESS?**

If you are currently on an F-1 or J-1 student visa and you are traveling outside the U.S. before starting your UMN studies, you need to obtain a temporary “transfer pending” I-20 or a new DS-2019 to re-enter the United States. You may request a “transfer pending” I-20 or new DS-2019 after your record has been released to UMN by your previous institution. If you cannot obtain your I-20 before departing the U.S., you must arrange for it mailed to your overseas address.

You must also have a valid entry F-1 or J-1 visa in your passport. If it has not expired, you may use the F-1 entry visa from your previous educational institution to re-enter the United States. If you have a J-1 visa, contact an ISSS adviser.
5. Update your “Mailing Address” (your address in Minnesota) on myu.umn.edu. Directions are at z.umn.edu/isssaddress.

6. Register full-time for courses.

7. You will receive an email from ISSS within the first two weeks of the semester indicating your University of Minnesota “Transfer Completed” I-20 is available for pick up at ISSS (190 Humphrey School). This is your official University of Minnesota I-20, and you are required to pick up this document. Failure to do so could put your F-1 status at risk.

---

**J-1 TRANSFER STUDENTS**

1. Meet with a J-1 adviser at your current school to discuss your intent to transfer to the University of Minnesota and to determine a SEVIS transfer “effective date.”

2. Complete and submit the DS-2019 Application for New J-1 Degree-Seeking Applicants at z.umn.edu/jfincert.

3. Ask the J-1 adviser at your current school to transfer your SEVIS record to the University of Minnesota.

4. Once your transfer becomes effective, meet with Julie Halfen (or Gabriele Schmiegel for sponsored students) at ISSS within 25 days to complete Immigration Check-In and to obtain your University of Minnesota DS-2019.
Undergraduate students starting in Fall 2018 are required to arrive at the UMN by Monday, August 20, 2018.

Graduate, Professional, and Non-Degree students should plan to arrive 10 days prior to the program start date on their I-20 or DS-2019.

Spring 2019 students should arrive in the U.S. 10 days before the program start date on their I-20 or DS-2019.

If you need to search for off-campus housing (page 16), we recommend arriving 3 weeks before classes start.

Students who follow these arrival date guidelines will be more prepared to begin their studies, as they will have sufficient time to do the following:

- Rest and recover from jet lag
- Remove registration holds (page 9)
- Attend any required orientation sessions and complete Immigration Check-In (page 11)
- Register for classes
- Complete paperwork for on-campus employment and assistantships (if applicable, see box for more about assistantships)
- Take any necessary exams, such as English proficiency or SPEAK test
- Go to Graduate Assistantship training (if applicable)

ISSS also arranges special programs for new international students before the start of the fall and spring semesters. These programs can help you prepare for classes and meet other international students. See page 20 to learn about Global Gopher Events and more.

IF YOU HAVE A GRADUATE ASSISTANTSHIP

Most graduate assistantships start at least one week before the start of classes. You must be on-campus and ready to begin working on this date. You should arrive a few days prior to your employment start date so you can complete payroll procedures.

If you will need to obtain a Social Security Number (SSN), arrive 10 days prior to your employment start date. This will ensure you can complete the necessary paperwork and apply for a Social Security Number (SSN).

Your department may require you to arrive earlier for a special orientation. Failure to begin working on your start date may result in a loss of salary and/or a portion of your tuition and health care benefits.

DID YOU KNOW?

You are allowed to arrive in the U.S. up to 30 days before the program start date listed on your I-20 or DS-2019.

You must enter the U.S. no later than the start date on your I-20/DS-2019. Email isssnew@umn.edu if your arrival will be delayed.
Registration holds prevent you from registering for classes. They are placed on your record you need to complete a requirement. Many international students have at least two holds on their record when they arrive at the UMN.

Below are brief descriptions of the registration holds commonly placed on new international student records, and see z.umn.edu/isssholds for more.

**AI HOLD: “DETERMINE CURRENT VISA STATUS”**

*Office Placed By: International Student and Scholar Services (ISSS)*

ISSS will remove this after you complete the International Student Preparation Course (see page 10) and attend Immigration Check-In (see page 11).

Undergraduate students will also need to complete the New International Student Seminar (NISS) before registering for future semesters. ISSS will send more information after classes begin.

**AZ HOLD: “ESL, ENGLISH/SECOND LANGUAGE”**

*Office Placed By: The Minnesota English Language Program (MELP)*

To remove this, you may need to take an English proficiency test or register for a class. See page 12 for more about contacting MELP (z.umn.edu/melp).

**MJ/MG HOLD: “GRAD SCHOOL FINAL DEGREE/TRANSCRIPT”**

*Office Placed By: The Graduate School*

This hold indicates that the Graduate School needs a transcript or other record to complete your admission file. Learn more at www.grad.umn.edu/admissions.

---

**REMOVE REGISTRATION HOLDS**

To see a list of your holds, go to MyU and click the “Holds” notification. For further directions, go to z.umn.edu/holdsremove.

---

**CAUTION**

You will not be allowed to register until the holds are removed from your record. It is essential that you take action to remove them before your registration time.
All new international students are required to complete the International Student Preparation Course. This is an online tool developed by ISSS to help you prepare for arrival at the University and learn about your visa status.

You should complete the International Student Preparation Course as soon as possible.

The International Student Preparation Course has helpful modules addressing:

- What Will Happen When You Arrive
- Immigration Regulations
- Academics and Class Registration
- Health Insurance
- Campus Safety
- Getting To and Around the University
- Living On and Off-Campus
- Diversity at the UMN
- Student Life and Student Stories

There is an AI “Determine Current Visa Status” Hold (page 9) on your student record. This hold will prevent you from registering for classes until you complete the International Student Preparation Course and attend Immigration Check-In (page 11).

See iss.umn.edu/new/online.html for information about how to begin.

All undergraduate transfer students must complete two online courses: the International Student Preparation Course and the Transfer Student Online Orientation (see checklist.umn.edu).

You must complete both of these items before attending your in-person Transfer Student Orientation and Immigration Check-In. You may be delayed when registering if you do not complete both before arriving at orientation.

ATTENTION UNDERGRADUATE TRANSFER STUDENTS
ATTEND IMMIGRATION CHECK-IN & ANY REQUIRED ORIENTATIONS

Upon arrival, all new international students are required to attend an in-person Immigration Check-In. At this session, ISSS staff will review your documents and provide you with essential information about maintaining your visa status. Your AI “Determine Current Visa Status” hold will be temporarily or permanently removed after you complete Immigration Check-In.

First-Year (Freshman) Undergraduate Students will attend Immigration Check-In during their Freshman Orientation. If you have not yet selected your orientation date, review your New Student Checklist at checklist.umn.edu.

Transfer Undergraduate Students will attend a two-part Immigration Check-In during their on-campus Transfer Orientation. Part one will occur in the morning and part two will occur in the afternoon of your orientation. You must attend the morning AND afternoon sessions. If you have not yet selected your orientation date, review your New Student Checklist at checklist.umn.edu.

Graduate and Professional Degree Students will register for Immigration Check-In while completing the online International Student Preparation Course (page 10). Your Immigration Check-In will be separate from any other orientation you may attend. DO NOT register for Immigration Check-in at a time that conflicts with other requirements.

Non-Degree Students will register for Immigration Check-In while completing the online International Student Preparation Course (page 10). All Non-Degree students will also have a separate, required orientation with their exchange coordinator. Information will be sent by your exchange coordinator.

Sponsored Students who are Freshmen and Undergraduate Transfer students will complete Immigration Check-In during their on-campus Freshman/Transfer Orientation (see checklist.umn.edu). All other sponsored students (Non-Degree, Graduate, and Professional School students) will register for Immigration Check-In while completing the online International Student Preparation Course (page 10).

ISSS will host a Welcome Reception for sponsored students in September and January where you can network with your peers. Review your sponsored student materials for more details.

Watch for communications from other departments regarding their required and/or optional orientations.

IMPORTANT

All new international students should complete the online International Student Preparation Course (page 10) as soon as possible.

Students who have not completed this requirement at least 24 hours before Immigration Check-In may be asked to reschedule, and they may be delayed in registering for classes.
Determine if you need to take an English proficiency test

Strong language skills are important for any student to be successful at the University of Minnesota, and we are committed to supporting students as they develop their skills while at the University.

Students without a valid English test score, or a score below the minimum required by the University, may be required to take an English test when they arrive on campus. They may also be required to take a supportive English class during their first semester, in addition to their other coursework.

If you have an AZ hold on your student record (page 9) instructing you to go the Minnesota English Language Program, please arrive by the mandatory arrival date (page 8) so you have enough time to take the test.

For information about minimum test scores, how to send your scores to the UMN, and the English as a Second Language course requirements, go to z.umn.edu/intlenglishreq. See page 22 for more about the Minnesota English Language Program’s courses.

Submit your final high school/secondary school transcript

Undergraduate degree-seeking students only

Successful completion of secondary school/high school graduation is a requirement for enrollment at the University of Minnesota.

In order to verify that you have completed secondary school, have your school submit your final secondary school transcript and proof of graduation (i.e., graduation certificate or leaving exam results) to the Office of Admissions no later than August 1 for those enrolling in the fall or January 15 for students enrolling in spring.

For country-specific requirements, visit z.umn.edu/adintldocs.

To be considered official:

- All documents not issued in English must be written in the original language and include a certified true English translation.
- Transcripts must be an original document (or attested copies of original academic documents).
- They must be mailed in a stamped and sealed envelope directly from the secondary school.

Send your documents to the Office of Admissions at:

University of Minnesota
Office of Admissions
240 Williamson Hall
231 Pillsbury Drive SE
Minneapolis MN 55455, USA
Medical expenses in the United States are extremely high. In fact, one day in the hospital in the U.S. can cost well over $10,000, even for routine care. Because of this, it is very important to understand your health insurance and where to go for health care.

All international students (and their dependents) must purchase the University-sponsored Student Health Benefit Plan (SHBP) unless they are eligible for a waiver (for more about waivers, see [z.umn.edu/shbpwaiver](http://z.umn.edu/shbpwaiver)). You will automatically be enrolled in the SHBP after your documents are validated during Immigration Check-In (page 11).

Students holding a qualifying graduate assistantship will be eligible to enroll in the Graduate Assistantship Plan (GAHP), as an alternative to the SHBP.

Do not purchase alternative insurance from a private insurance company for yourself or your dependents.

Email umshbo@umn.edu if you have questions about the SHBP or the GAHP, and additional information can be found at shb.umn.edu.

**DEPENDENT INSURANCE**

International students are required to enroll any dependents (spouse or children) who are in the United States in F-2 or J-2 status in the Student Health Benefit Plan. Dependents are not enrolled automatically in the plan. An enrollment form should be completed and returned to the Office of Student Health Benefits within 30 days of their arrival. Go to shb.umn.edu to obtain this enrollment form.

**PRE-EXISTING CONDITIONS**

The University’s health insurance plans cover any pre-existing conditions. Bring copies of your medical records and a list of medications with you to the U.S. if you have a health condition that requires ongoing care (diabetes, heart problems, asthma, depression, etc.). This will help prevent interruptions in care.

**IMMUNIZATION REQUIREMENTS**

Minnesota law requires all students to be immunized against measles, mumps, rubella, tetanus, and diphtheria. Review the immunization requirements and complete the online or printable immunization record available at [z.umn.edu/immunizationreq](http://z.umn.edu/immunizationreq).

You may choose to obtain vaccinations in your home country or once you arrive. If you receive vaccinations before coming to the United States, you can have your health care provider sign the immunization form and send it directly to Boynton Health. If you are unable to get vaccinated before arriving in the United States, you can get vaccinations at Boynton Health or at another clinic. Immunizations are covered by the student insurance plans.

If you do not complete the vaccination form before the start of classes, a registration hold will be placed on your record for the semester following your arrival.
Your I-20 or DS-2019 is a legal document that reflects the estimated expenses for tuition, fees, insurance, supplies, and living expenses. When you completed the financial certification form, you indicated that you have sufficient funding to cover those expenses.

The University and the U.S. government hold you responsible for the information you provided on the form. **If you do not have the funds to cover these costs, you should defer your enrollment until you obtain adequate funding.**

**BRING FUNDS FOR YOUR IMMEDIATE EXPENSES**

When planning for arrival, prepare to bring sufficient funds to pay your immediate expenses, such as a security deposit and two months’ rent, phone and electricity charges, and, possibly, the purchase of warm clothing.

We recommend that you open a bank account in the United States soon after your arrival (see z.umn.edu/intlbanking for more). There are several different banks located near the University of Minnesota campus. When choosing a bank, ask if money can be transferred into the account from overseas if you plan to have money transferred to pay tuition, fees, mandatory health insurance, and ongoing living expenses.

If you choose to bring large amounts of money, we recommend carrying traveler’s checks rather than cash (see page 18 for information if you and/or those travelling with you will bring more than $10,000 USD in cash or checks). Do not put money in your checked baggage; you should carry it at all times.

**UNDERSTAND YOUR ASSISTANTSHIP**

If you are a graduate student with an assistantship, your first paycheck will most likely not be issued until a month after the start of your assistantship. Therefore, you should bring funds to cover your initial expenses.

Your assistantship may not cover all your expenses, so plan your budget and calculate how much additional money you may need for the rest of the year. The total value of your appointment may be subject to a deduction of, as much as, 28 percent to cover taxes on the value of your tuition waiver.

**KNOW YOUR EMPLOYMENT OPTIONS**

Visa regulations vary about when/how international students can work in the U.S. More information is available in the International Student Preparation Course.

**On-Campus Employment**

J-1 students whose DS-2019 forms are issued by the UMN and all F-1 students may work on-campus for up to 20 hours a week during an academic year.

**Off-Campus Employment**

Off-campus employment is prohibited for F-1 students during their first academic year in the United States. J-1 students need to receive approval from their J-1 sponsor prior to starting employment in the U.S.

**PLEASE NOTE**

On-campus student jobs are great opportunities to gain skills and experience. They can provide partial support, but they do not pay enough to fully cover a student’s living expenses.
PAY YOUR TUITION WITH FLYWIRE

International students can pay tuition online through their Student Account by using Flywire. This is a service that allows you to bypass international transfer fees and access foreign exchange rates that are more favorable than those offered by banks.

To do this, go to the “My Finances” tab of MyU (www.myu.umn.edu) and select “International Payment” when making your payment.

You will need to create an account with Flywire, so have your student ID and information available. Learn more at z.umn.edu/intlpay.

ATTENTION SPONSORED STUDENTS

If your financial sponsor (home country government, U.S. government, international organization, employer, bank, etc.) needs to be billed by the UMN, you must email a billing authorization, financial guarantee, or financial support letter to isssspon@umn.edu before the beginning of the semester. You must also provide an updated letter to ISSS each year if your funding is renewed on an annual basis.

This letter must be on official letterhead, be written in English, and state that the University of Minnesota is to bill the sponsor directly. In addition, the letter must include the following information:

• Your full name
• The length of time for which the funding is granted
• What items are to be billed (for example, tuition, fees, and/or health insurance)
• The address to where the UMN must send your bill
• The name of a contact person
• Any limitations or exclusions on the funding (for example, a specific degree or major)
• The signature of your sponsor

The University cannot send an invoice to the sponsor until we receive this letter. The University does not accept wire transfers on behalf of individual students outside the Third-Party payment process.
RESERVE TEMPORARY HOUSING, IF NECESSARY

For Fall 2018, new international students can stay in the International Early Arrival Housing from July 30, 2018 to late August. At only $26 a night, this temporary on-campus housing is an affordable option for new students needing somewhere to stay before they can move into their permanent on- or off-campus housing.

Please note:

• Only students can stay in International Early Arrival Housing; students traveling with family (including parents, siblings, or spouses) should find another temporary housing option.

• Students who will live on-campus during the school year will be required to move into their assigned housing on August 24, 2018.

• Students who will live off-campus during the school year will be required to move out of the temporary housing by 9:00 a.m. on August 25, 2018. No exceptions will be made, so ask your off-campus housing if you will be able move in on August 25 or if you will need to find other housing until September 1.

Visit housing.umn.edu/international to make a reservation in the International Early Arrival Housing.

There are no temporary housing options available for students arriving in the spring. Students needing temporary housing options for spring should consider the options listed at housing.umn.edu/international.

EXPLORE THE ON-CAMPUS HOUSING OPTIONS AT HOUSING.UMN.EDU

All new first-year undergraduate students are guaranteed housing if you confirm your enrollment and apply for housing by May 1, 2018.

Housing assignments are done in the order received, so apply as soon as possible.

The online housing application requires that you pay a fee with a major credit card. Email the housing office if you have any questions at housing@umn.edu.

Transfer, graduate, and professional students: You need to apply for housing online. You will only be considered for on-campus housing after first-year undergraduates receive rooms. Be prepared to find off-campus housing.

There are a limited number (approximately 200) of guaranteed spaces for undergraduate transfer students. Priority is given to students who select (and are admitted to) one of the transfer Living Learning Communities.

Married/partner housing is available, but it is in high demand. Find more at housing.umn.edu/family.

DID YOU KNOW?

There are over 30 Living Learning Communities (LLC) on-campus where you can live with other students who share your interests. See housing.umn.edu/llcs for more information.
RESEARCH OFF-CAMPUS HOUSING

Start researching your housing options early; we recommend starting at least one to two months before your arrival. See housing.umn.edu/off-campus or housing.umn.edu/international to learn about housing options and costs, and you can learn about the neighborhoods on campus in the “Housing” section of the International Student Preparation Course (page 10).

UNDERSTAND YOUR LEGAL RESPONSIBILITIES WHEN RENTING OFF-CAMPUS

DO NOT MISS ISSS’S PROGRAMS FOR NEW INTERNATIONAL STUDENTS

ISSS has great activities before the start of classes to welcome international students to campus. See page 20 for more information about our programs that will prepare you to succeed academically and personally at the UMN.
PREPARE FOR INSPECTION AT YOUR PORT OF ENTRY

You will need to present the following documents to a U.S. Customs and Border Protection officer when you arrive in the U.S. Keep these documents close to you during your travel. **Do not pack them into your luggage**, as you will not be allowed to retrieve your luggage until you have gone through immigration.

- Your passport and entry visa
- I-20 or DS-2019 document
- Form 6059, “Customs Declaration” (given to you as you arrive)

You may also be asked to provide additional documents, such as proof of financial support and/or UMN admission.

When completing your paperwork, always spell your name exactly as it appears in your passport and visa.

GET YOUR I-94 TRAVEL RECORD

An I-94 is a record of your travel to the United States. You should check the accuracy of your I-94 after you arrive in the U.S., and you should keep a copy for your records.

- If you arrive via air or sea, your I-94 will be recorded electronically, and you can access and print your electronic I-94 arrival record after inspection at i94.cbp.dhs.gov/I94.
- If you arrive via a land border, you may be given a paper Form I-94 record. To save time at the border, apply for a land border I-94 arrival record seven (or fewer) days before your arrival at i94.cbp.dhs.gov/I94.

See z.umn.edu/cbpintvisitors for more.

WILL YOU AND YOUR FAMILY BRING MORE THAN $10,000 USD IN CASH OR CHECKS WHEN YOU ENTER THE U.S.?

You will be required to file a report with U.S. Customs when you enter the country if you bring cash or checks with you to the U.S. that are worth $10,000 USD or more (USD or the foreign equivalent). The U.S. government allows you to carry any amount of currency or other monetary instruments into the United States, but the funds may be confiscated by the U.S. government if you fail to report amounts of above $10,000 or more.

If traveling with family members, including your parents, your family must file a family declaration if you, collectively, bring $10,000 or more into the U.S. This declaration will list all of the funds being brought into the U.S.
