Hello and welcome to the University of Minnesota! ISSS staff are excited to welcome you to campus and be a part of your journey here at UMN. We want you to consider us your home away from home and are here to help with your transition to student life here in Minnesota. Now that you’re here, you have just a few more requirements to complete.

I do not want to lose my visa status. What do I need to do now that I have arrived?

Update your home and mailing address
To comply with immigration regulations, you MUST inform the University of your phone number and new address within 10 days of arriving in Minnesota. ISSS will then report that information to the SEVIS immigration system. ISSS cannot activate your F-1/J-1 SEVIS record until you have entered your current mailing address. Learn more: z.umn.edu/address

Register for full time courses (if you haven’t already)
- Undergraduate and Non-Degree: 12 credits
- Graduate: 6 credits
- Professional: 6 credits or may vary by program; ask your department

Is there anything else I need to do?

Submit your immunization form
Don’t forget to submit your immunization form before the start of classes or a registration hold will be placed on your record for the following semester. If you haven’t already received your immunizations, you can do so at the Boynton Health Office for no cost if you have the Student Health Benefit Plan. Learn more: z.umn.edu/immunizationreq
What can ISSS help me with?

**Visa Advising**
- ISSS advisors help international students and scholars understand the immigration regulations and how to stay in status.
- ISSS advisors are UMN staff, not immigration officers — our role is to help you.

**International Student Funding**
- Limited need-based funding to international students experiencing financial challenges

**Academic Counseling and Support**
- Time management and study skills
- Classroom participation, research expectations, and group work
- U.S. education, testing, and teaching styles
- Student Conduct Code and academic integrity

**Career Support**
- Work authorization and how to address your visa status with employers
- Workshops about H-1B and other employment-based visas by local immigration attorneys

How can I ask ISSS questions?

**Email us at isss@umn.edu**
Or visit our website for options to meet with an ISSS advisor: [z.umn.edu/issshours](http://z.umn.edu/issshours)

**Bias Response and Referral Network**

Bias incidents happen at UMN, as they do across the country. The Bias Response and Referral Network (BRRN) works to respond to bias incidents on the Twin Cities campus in ways that support those most impacted, promote education and dialogue, and affirm the University’s commitment to equity and diversity, free speech, and academic freedom.

**Disability Resource Center (DRC)**

The DRC is a UMN resource for students with a disability, short/long-term injury, or other health condition. Access Consultants collaborate with students, instructors, and staff to remove/reduce barriers to a student’s academic program.

[disability.umn.edu](http://disability.umn.edu)

**Gender and Sexuality Center for Queer and Trans Life (GSC)**

The Gender and Sexuality Center for Queer and Trans Life provides resources and programming for LGBTQIA+ students, faculty, staff, and allies including social opportunities, mentoring, lecture series, and a student lounge space in Appleby Hall.

**How can I get around campus?**

**Campus Buses**

The University has five Campus Shuttle routes between the Minneapolis West Bank, East Bank, and the St. Paul campus. These free buses operate Monday through Friday during the day and early evening, and a circulator is available on the weekend.

[z.umn.edu/campus-bus](http://z.umn.edu/campus-bus)

**Metro Transit**

Metro Transit provides bus and train public transportation to the Twin Cities Metro and surrounding area. Students who pay the Transportation and Safety Fee get unlimited access using their U Card.
